Folks,

We've had a bit of a delay with the cleaning of the process area tanks. We will not be sampling tomorrow. I will update the group as soon as we have a schedule date for the tank rinseate sampling.

Thanks,

Jana

Hello Folks,

Just wanted to let everyone know we will be cleaning the tanks in the process area as well as re-cleaning tank 14 in Building D over the next couple days. Our plan is to collect samples from these tanks on Tuesday 4/1/14. If anyone would like to be on-site during sampling, you are more than welcome.

Thanks,

Jana
